Selection of the venues of the 33rd GASS in 2020 and 34th GASS in 2023

Venues

- Italy (Rome): Sapienza University
- Japan (Sapporo): Sapporo Convention Center
- Poland (Warsaw): Warsaw University of Technology
- Singapore: Marina Bay Sands Expo and Convention Center

Dates

- Italy (Rome): Aug. 22 – 29, 2018, Aug. 29 – Sep. 5, 2018
- Japan (Sapporo): July 15 – 22, 2018, Aug 8 – 15, 2018
Aug.29 – Sep. 5, 2018
- Poland (Warsaw): August 1 – 8, 2018
- Singapore: September 5 – 12, 2018

Selection of the venues of the 33rd GASS in 2020 and 34th GASS in 2023

- The venue for the 33rd GASS 2020 will be Rome.
- Council asked the Italian committee to organise the GASS between 1 and 15 August 2020 but leaves it to the Board to take the final decision because not only the start of the universities around the world is important, the temperature in Rome and the travel cost to the GASS are important too.
- Council decided – for the first time in history - with a majority of votes that they would also select the venue for the 2023 venue.
- Sapporo and Warsaw decided to stand for election. Council voted in favour of Sapporo, Japan (34th GASS in 2023).
